Dear Parent or Guardian,

Welcome! I am looking forward to working with your student throughout the 2018-2019 school year. This is my 6th year here at PBL, and I am thrilled to continue to play a role in the district and community. Some things to look forward to include; Featuring Artist – one art student each month will be showcased, sponsored by a local business; Artist of the Year, awarded at the end of the school year, and a Senior Art Show in April. Students will also have an opportunity to participate in a Student Art League.

Below you will find the materials your student will need for the class they are taking. This information can also be found on the class website. On the website you can also find information for due dates, current projects, inspirational finds, college links, and much more. Please use this as a resource and encourage your student(s) to do so also!

If you have any questions please do not hesitate to contact me. Looking forward to a great school year!

Sincerely,

Mrs. Emily Wood
